To encourage students to become more physically active and to help students develop healthy lifestyles, Senate Bill 610 requires the equivalent of one class period per day of physical education for a minimum of one semester each year for students in grades 6 through 8 beginning in the 2009-2010 school year.

If you wish to waive this requirement and request another elective, please check the box below:

I am requesting to waive the physical education requirement. I would like for my child to be enrolled in the elective course he or she requested on this subject selection form.

Con el fin de animar a los estudiantes a que se hagan más activos físicamente y a que desarrollen estilos de vida más saludables, el Proyecto de Ley 610 requiere el equivalente de un período de clase de educación física diario, por un mínimo de un semestre cada año para los estudiantes entre el sexto y el octavo grado, a partir del año escolar 2009-2010.

Si usted desea que el requisito de educación física no se le aplique a su hijo/a, por favor marque el cuadrito a continuación:
