To encourage students to become more physically active and to help students develop healthy lifestyles, Senate Bill 610 requires the equivalent of one class period per day of physical education for a minimum of one semester each year for students in grades 6 through 8 beginning in the 2009-2010 school year.

If you wish to waive this requirement and request another elective, please check the box below:

Si usted desea que el requisito de educación física no se le aplique a su hijo/a, por favor marque el cuadrado a continuación:
